Certificate

Kiwa Sertifiointi Oy has granted a product certificate to

Lujabetoni Oy
Vieremä factory

Harjamäentie 1, FI-71800 SIILINJÄRVI

to certify that Kiwa Sertifiointi Oy has verified that the following products of the company and their manufacturing quality assurance fulfil the requirements set in the requirement documents **TR 14:2023, TR 15:2023, The Finnish Transport Infrastructure Agency's guidelines 41/2020, Specification of the Finnish Transport Agency 14/2010: The Quality requirements for lighting columns and foundations, Clause 2:**

Ready-mixed concrete
Precast concrete elements
Infra ready-mixed concrete
**Foundation element made of concrete for lightning columns,
traffic light poles and traffic sign posts**

Place of manufacture: Valkeiskyläntie 66, FI-74200 VIEREMÄ

The company is entitled to use the certification mark on products fulfilling the requirements. The certificate holder is responsible for ensuring that the products comply with the requirements.

The certificate is issued on 2025-03-01
(first issue 1983-04-18).

Maija Vanttaja, Managing Director

The certificate is based on an initial inspection, testing by the manufacturer, and continuous assessment of factory production control. The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met. The validity of the certificate can be verified on the Internet at www.kiwa.com/fi.
